Change in HEXPOL's Group Management

Tracy Garrison, President HEXPOL Compounding Americas and HEXPOL TP Compounding, has decided to leave the company for a position outside the HEXPOL Group. Tracy Garrison will leave end of December 2019 and thereafter CEO Mikael Fryklund will be acting President HEXPOL Compounding Americas and HEXPOL TP Compounding until a successor has been appointed.

"Tracy Garrison has been instrumental in our successful growth strategy to considerably expand the Rubber Compounding business in Americas. Likewise he has built up a very strong and capable team and culture in our American operations. I would like to take the opportunity to thank Tracy for his commitment and efforts during his long and valuable time within the HEXPOL Group, and wish him great success in his new position" says Mikael Fryklund, President and CEO HEXPOL Group.
