

**Press release, Malmö, Sweden, 19 December 2023**

## **Klas Dahlberg appointed CEO and President of HEXPOL AB (publ.)**

The Board of Directors of HEXPOL AB (publ.) has appointed Klas Dahlberg as CEO and President of the company. He will take up the position latest by 1 July 2024.

Klas Dahlberg currently holds the position as Head of Business Area NIBE Climate Solutions. He has been with NIBE since 2016 and he has been responsible for NIBE Climate Solutions since 2018. Prior to joining NIBE, he had a successful international career spanning over a 30-year period with the Scania group, with his last position being responsible for the division of Buses & Coaches. Klas has lived and worked in Germany for many years. He holds a M.Sc. in Engineering from Lund University, Sweden.

“It is a pleasure to welcome Klas to HEXPOL. Klas’ substantial international experience, tested leadership skills and successful career will be of high value to the continued strategic development of HEXPOL, with focus on further expansion through acquisitions, organic growth and development of advanced polymer solutions with improved sustainable footprint”, says Alf Göransson, Chairman of HEXPOL AB (publ.).

“I am looking forward to, together with all employees at HEXPOL, create value for customers, shareholders and other stakeholders. I am grateful for the trust shown by the Board of Directors and humble before the task to continue the successful journey led by my predecessor, Georg Brunstam”, says Klas Dahlberg.
